The Pre-College Ambassador Program:

What is it?

A team of program alums who are interested in sharing their experiences and representing the Pre-College program in their social and academic circles, whether domestically or internationally.

The Pre-College Ambassador Program:

Why do it?

It's a wonderful leadership opportunity for well-rounded students who are interested in supporting and/or mentoring fellow students, as well as serving and representing UC Berkeley's Pre-College Program to perspective students.
